THE SENIOR CLASS

of

NANCY REYNOLDS SCHOOL

Westfield, North Carolina

The Nancy Reynolds School was built in 1923 by Mr. William Neal Reynolds as a memorial to his mother, Mrs. Nancy Jane Cox Reynolds. Mr. Reynolds bought ten acres of land from Mr. Jesse George, right on the site of Nancy Jane's old homeplace.

Within a few months, the six-room schoolhouse was under construction, a real showplace in those days. Besides the six classrooms, the new schoolhouse contained an auditorium and two office rooms. Even during the first year the new building was crowded.

By 1930 the enrollment at Nancy Reynolds had increased until there was great need for more classrooms. Mr. Will Reynolds came to the aid of the children and community by adding to the original structure wings which gave fourteen classrooms and a large basement. It was in the following year also that Nancy Reynolds became recognized as a state accredited high school.

At the death of Mrs. W. N. Reynolds the school received an endowment of $25,000 with its yearly dividends to be spent on the school campus or for playground equipment. With this a beautiful archway was erected across the drive up to the front. Sometime in the '40's a lunchroom was opened in the basement of the building. Later, funds were provided through the County Board of Education for construction of a new cafeteria building. After this was completed, an agricultural building was erected by the Reynolds Foundation.

In 1951 Mr. Reynolds gave the school a $125,000 gymnasium. This is one of the largest and most modern in this part of the state.

Since 1958, the Reynolds Foundation has given the school three scholarships each year to be awarded to three deserving seniors. Each scholarship has consisted of $2,000 to be used over a four-year period at any college of the student's choice.

With the passing of Mr. William Neal Reynolds we, as well as the county, the state and the nation, lost a real friend and a great benefactor.

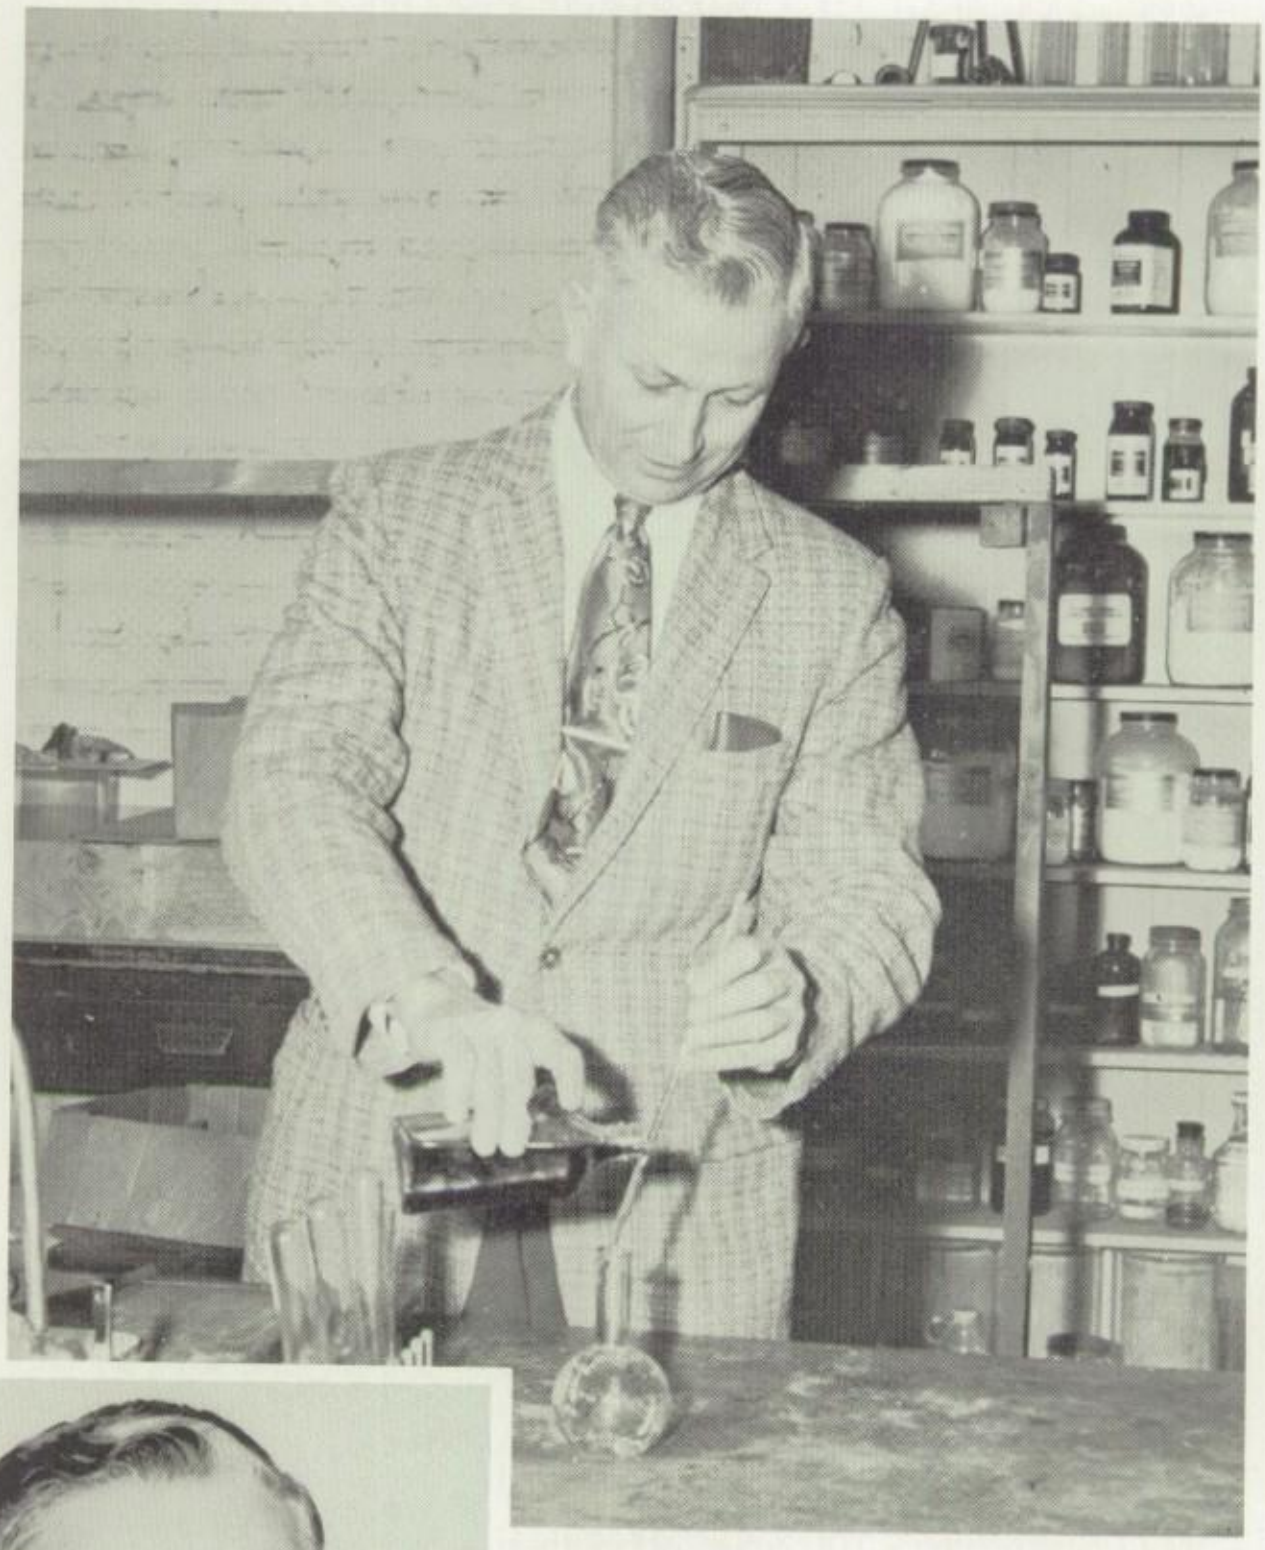
Dedication



We, the graduating class of "1962," respectfully dedicate our yearbook to MR. ELBERT W. LANE. Patience and understanding are only part of his contributions to our class.

Principal's Message

My sincere congratulations to the staff of the 1962 HILLTOP ECHOES. Completing this fine project demonstrates that you are not content with just "getting by" but are willing to go that "extra mile" to improve yourself and at the same time to serve your fellow man.

This philosophy of service to others is deep and very meaningful and one I hope you will investigate further and let it become a permanent part of your way of life. Calvin Coolidge said, "No enterprise can exist for itself alone. It ministers to some great need, it performs some great service, not for itself, but for others; or failing therein, it ceases to be profitable and ceases to exist."

As the years pass, keep in touch with your school and be a part of her spiritual and mental growth.

Again - CONGRATULATIONS
and GOOD LUCK

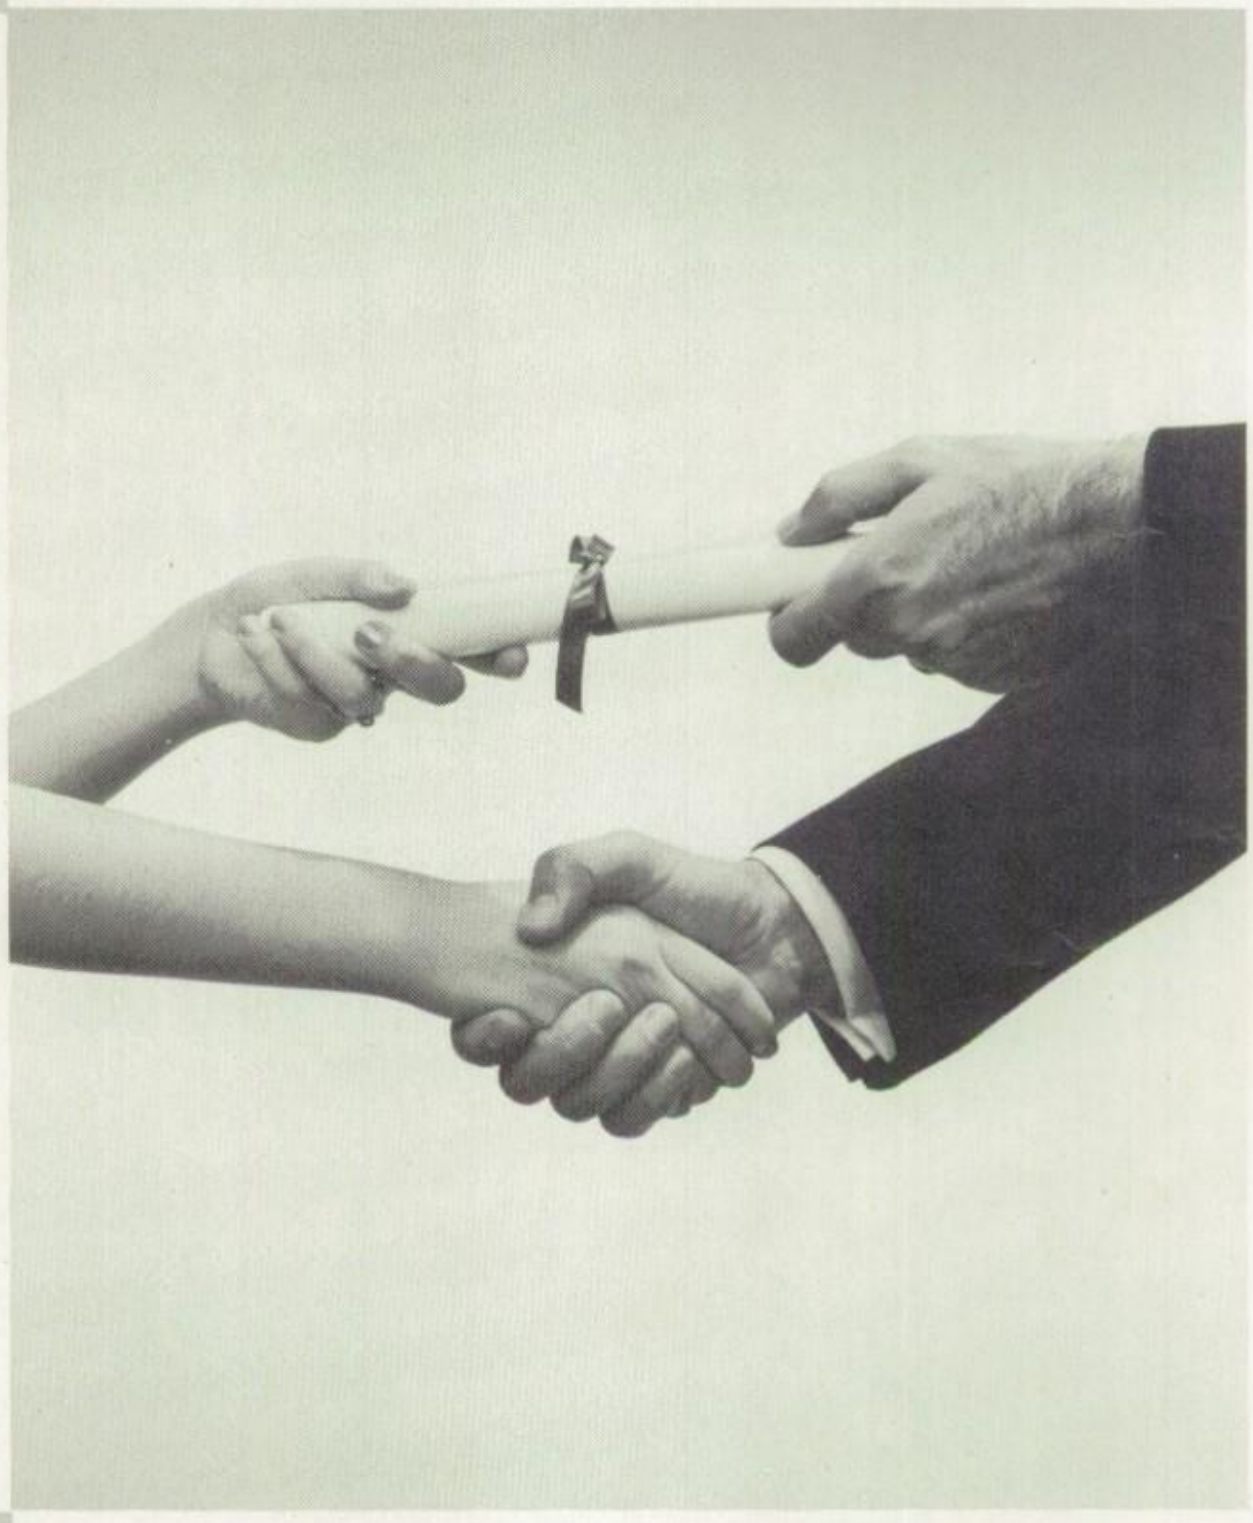
SENIORS



Senior Class Officers

LEFT TO RIGHT: Cheryl Nunn, Reporter; Frances Bennett, President; Myra Tucker, Vice-President; Rebecca Lawson, Treasurer; Betty Jo Smith, Secretary.

Undecided whether to smile or cry, the senior class finds that the long awaited graduation day is close at hand. With pride, the seniors selected their class motto, flower, colors, and mascots; and elected superlatives. The receiving of their class rings was one of the many rewards of being seniors.

Barbara,

As I guess you will realize, we have really had some grand times together, especially the summers. Our big plans for the future have been joined by Buster, but these things happen you know. Really, I want to wish you and Buster all the Luck and happiness in the world. We are still going to go to the Beach this summer, no matter what happens. We will have a ball I'm sure, like we always do when we take off together. Remember when we took off down in that bottom. Ha Ha

Never forget!

Well, all I can say is best of luck to a real sweet friend, stay as you are and you'll have many more.

Love always Faye Stevens

Mrs. Buster Smith

Barbara,
You are one of the sweetest sisters anyone could ask for. (You're pretty too)
Just stay sweet and nice and
I'm sure you'll succeed in future,
"Best of Luck" to you and Buster!
Love always,
Your Sister
Dinkens

Barbara,
I Consider you a close friend. I Want to Wish you the Best in everything you undertake to do.
Best Wishes
Katie

Barbara,

I have really enjoyed going to school with you for the past two years. I think you are a very sweet, cute and nice girl. We have really had some good times together at the Junior, Senior Banquet and at play practice. Please don't forget me and I know I could never forget your "flirty" ways. HA! May you + Buster have the best of luck in everything you do and undertake.

Love always,
Peggy Whitaker

Barbara, I want to wish you happiness in the future - a friend
Rebecca Simmons

Barbara,

I have sincerely enjoyed having you as a Classmate and friend. We certainly have had some wild times. Do you remember that summer we went to Virginia and you almost fail into that well. Boy that was Close. And all those "Cancer sticks" we smoked. We really did some stupid things in our past. But now we have to grow up and look into our future. Our fun will be in a different category. I sincerely hope you will be successful in your Marriage to Buster. I would like to wish you the most in the coming years.

Sincerely,
Doris
Young

Barbara
I have enjoyed knowing you for the past years. I Hope you are as successful as I anticipate with a career. I wish you the best of luck in the future in what ever you do.
A friend always.
Marilyn Stevens

Barbara,

What in the - - - - am I going to write. We hadn't done anything but run our mouth the whole year - and I mean that's all we have done 7 ~~hrs~~ hrs. a day. I'm going to find out his length before its over with - I know I can one way if I can't no other way! HA-HA

What about going to Danbury one night after a mountain party?? Boy, I sure was thirsty the next morning. Oh, and next Christmas were going to have something worth pouring in cups). I really mean it - Will get in touch some way - You better not be married either - I probably won't be.

Please get (safety) on a seat belt, or you might even fall out the door some time as you turn in at Bob Hunter's barn.

Well. I'm still planning on more good times between now and May 31. I really mean it - I mean when it gets warm and everything.

How about a wed?? Wouldn't one be delicious!!!! Well - I'll hush leaving this sermon - Be good - (don't go too far) -

Come to see me every chance you get!!

Always,

Betty Jo Smith

Barbara

This year will wind up the little talk and I can say I have enjoyed going to school with you even when you wouldn't speak or turn your head and I wish you all the luck in the world for the future a friend and classmate

Mari Jessup

Barbara,

This is the last year, and boy am I glad. I don't guess we will get to see each other for a few years so I would like to wish you the best of luck in the future, to a very nice girl.

John Ray Lynch

Barbara,

The year will soon be up, and after that I won't get to run my mouth to you. ~~[illegible]~~ But I hope this won't stop me from seeing all my friends. (at least I think they are) Remember the nite we had that party over at Doris's house, I had fun, I wish we could have more. Well, I wish you the very best of Luck in the future.

a friend always, Edward Bullins

Barbara,

You are a very nice girl. I have enjoyed being in school With you.

Good Luck!

It has been nice being in school with you. I wish you the best of luck in everything. Sam Busby

Barbara,
It's been nice being in school with you these last 7 years. We've been good friends and I hope we remain the same. I want to wish you good luck and lots of happiness to a nice girl and friend.
Best Wishes
Jerry Mansell

Barbara,
You're one of the sweetest & nicest girls in the senior class. Just stay the way you are and you'll have it made.
Good luck in the future, especially with Buster!

Fran

Barbara,
Hasn't this been some year? I could kick myself silly for not starting these wild times years ago. Think of how much we've missed! But then think of how much we haven't missed!

~~You think you're some~~ ~~'cause Buster beats Durward, but I hear it's apt to~~ ~~do bird the day you use it.~~ We'll ~~see who gets sated sooner~~.

Don't forget to keep up those muscle building exercises! Lord knows we need them! And like Patricia says, "it doesn't do any good when you have to take them out and hand them to him." I'll see you and Tony at Boone this summer, won't I ??? We'll have a ball and a beer! Love ya

Barbara,

This year will soon draw to a close, and our class will all be going in different directions. Everyone will be going to work some where. But most of our girls will be "Mrs" Somebody. I don't know if you are planning to get married as soon as school is out or not, but if you do I want to wish you all the happiness in the world.

I know we have had our differences, and I sorry if I've ever done anything to offend you. But you know how I am. I've got a big mouth and a quick temper. So you will just have to forgive me if I've made you mad.

I hope you and Faye get to go to the beach this time. I know you will have a wonderful time.

Barbara, you must never forget the ~~gossy~~ times we've had in "Shorthand."

I will be sorry to see everyone cry at graduation. I will cry it never fails. Do you think you will? I bet you do. She had better have one good cry any way.

Well I guess I will shut up and quit writing crazy. As you can see I'm not very good at expressing myself. But as you can see I did try. I want to wish you and Buster the best of luck in your marriage. If you decide to marry.

Love a classmate

Just a few lines to tell a "Kookie" girl that it has been great fun having a girl like you as a classmate, and I will always remember the crazy times we have had together. I hope you didn't get any bruises when you fell in the gloarboard - the night we were going to Pilot. How about that crazy party that Doris had, were you the one that got caught outside the back door?

Just like to let you know that you are a wonderful girl, and you look a lot better since you have lost so much weight. Wish I could!

Your pal,

Barbara,

Well, we are finally getting rid of you and the rest of the seniors. Really though I hate to see you and the rest of the seniors go, but if it will bring us closer to the end of our school year I will be glad to let you go. These past few years I have been going to Nancy Reynolds has been wonderful, especially the people in it. I want to wish you the best of luck this old world can give you because you really deserve it. You have a wonderful personality that no one could ever forget. Good-luck in the near future.
